AEROFLOT EXPANDS FLEET WITH FOUR NEW AIRBUS A321S

News / Airlines

Aeroflot has taken delivery of four new A321s equipped with aerodynamic wing-tips known as Sharklets.

All A321 aircraft are named in honour of outstanding Russian people who contributed a lot to artistic, cultural and scientific development.

VP-BAE bears the name of Sergei Bondarchuk, a Russian film director, screenwriter and actor.

VP-BKI has been named Dmitry Ryabushinsky, a Russian scientist specialising in hydro and aero dynamics.

The other two VP-BJX and VP-BEW got the names of famous writers Ivan Goncharov and Mikhail Zoshchenko respectively.

The airliners are designed in a new enhanced two class composition with 16 seats in business and
