IS-BAH ACCREDITATION FOR EXECUJET'S LAGOS FBO

News / Business aviation, Events / Festivals

ExecuJet FBO facility in Lagos, Nigeria, has achieved IS-BAH Stage I accreditation. The announcement was made at MEBAA, where Execujet, as a part of Luxaviation Group can be found at Chalet 598.

The facility becomes ExecuJet's eleventh FBO worldwide to be recognised with the accolade, signifying the operator's universal approach to outstanding safety management and service.

Victor Mgbachi, FBO Manager Lagos, ExecuJet, commented: "We are very happy to be the latest FBO facility in the ExecuJet network to receive this prestigious accolade. Our team is committed to exhibiting the very highest standards in safety management and customer service and we look forward to continuing to welcome more clients through our doors and onto our aircraft, ensuring their experience with us is nothing but exceptional."

Ettore Poggi, Group FBO Director, Luxaviation Group, says: “It is a delight to be announcing Lagos as our eleventh IS-BAH accredited FBO facility. We are immensely proud of this record as it is a reflection of all the hard work and dedication exhibited by our staff across our global FBO network. We are committed to showcasing a world-class service around the world and we will continue to build on our reputation as one of the safest and most trustworthy business jet operators in the industry.”
