S7 AIRLINES OPENED SALE OF REDUCED FARE TICKETS FOR NEW DESTINATIONS

News / Airlines, Airports / Routes

S7 Airlines, a member of the oneworld® global aviation alliance®, opened sale of air tickets at subsidized fares for four new routes between the cities of the Far East and Siberia.

Reduced fare tickets are offered as a part of the state programme developed to provide the availability of passenger air transportation between the Far East and the European part of the country.

From the 14th of October 2015 passengers will be able to purchase air tickets for flights in the economy class, which will be operated till the 31st of October 2015 form Mirny, Chita, Magadan and Petropavlovsk-Kamchatsky to Novosibirsk and backwards.

The cost of one-way air ticket purchased at the special fare including all charges amounts to:
