DC AVIATION AL-FUTTAIN SIGN GHA WITH HADID

News / Business aviation, Events / Festivals

DC Aviation Al-Futtain, the result of a partnership between Al-Futtain group and DC Aviation, has signed ground handling agreements (GHA) with flight support companies including **HADID** and World Fuel l Colt / Spire Flight Solutions.

As part of the GHA, DC Aviation Al-Futtain will provide ground support, 24 hours on site customs and immigration, conference rooms, business services, passenger and crew lounges, and a shower facility.

DC Aviation Al-Futtain can also offer line maintenance services, passenger and crew transportation, and catering, hotel accommodation and local transport arrangements.

Akram Abbas, senior operation manager at HADID, commented on the skills DC Aviation Al-Futtain will bring in the agreement: “Boasting excellent FBO facilities, efficient apron access and spacious hangar space, DC Aviation Al-Futtaim is one of HADID’s partners at Al Maktoum International Airport.”
