SFERA JET WITH NEW EMBRAER LEGACY 650

News / Business aviation

As Bizavnews found out,Russian provider of business aviation services "**Sfera Jet**" received new **Embraer Legacy 650** on October 3. The aircraft, tail number M-YKBO (2015) performed three day flight from Sao Jose dos Campos (Sao Jose Dos Campos) to Moscow "Domodedovo", through Recife, Sal Island (Sal Amilcar Cabral) and Geneva.

First aircraft of this type has been transferred by "Sfera Jet" back in the summer of 2013.

According to the official website, "Sfera Jet" operates in several segments, including arrangement of flights, purchase and sale of business aircraft, aircraft management,recruiting aviation personnel,consulting, and additional VIP services. Three years ago, "Sfera Jet" received the certificate of IS-BAO (International Standard For Business Aircraft Operations). This certificate was developed by the International Business Aviation Council (International Business Aviation Council, IBAC) for the harmonization of the different procedures and requirements adopted by the market.
