STEIN'S AIRCRAFT SERVICES JOINS SHELL FBO NETWORK

News / Business aviation

Eastern Aviation Fuels is pleased to announce the addition of **Stein's Aircraft Services** of Kenosha, Wisconsin to the **Shell FBO network**.

Stein's Aircraft Services recently opened its doors at the Kenosha Regional Airport. The airport is located about halfway between Milwaukee, WI and Chicago, IL. Stein's Aircraft Services is a multi-service aviation company that is not only a full service FBO, but also specializes in aircraft management, maintenance, consulting, acquisition, chartering, and flight training. The team at Stein's is committed to client satisfaction and safety.

Stein's Aircraft Services is pleased to participate in the Shell AeroClass pilot loyalty program as well as the Shell Contract Fuel Program. To learn more about Stein's Aircraft Services please visit www.stein.aero or call 262.597.1087.
