Tyrolean Jet Services is on the market since 1978. In the beginning it was a Swarovski corporate flight department, which later became an independent business structure.

For a charter flight there are many options to choose from: two ACJ319, one ACJ318 ER, Bombardier Global Express, Gulfstream G550, Cessna Citation VII and Beechcraft King Air 200GT. A few more aircraft are managed by the operator, including the flagship Gulfstream G650.

"Our philosophy makes us different comparing to our colleagues. We are quite open, if you want – humane in doing business do business. All of the company's customers are respectable people, and our reputation - the trump card of the company. I think that our main advantage is our staff, as the management is a key factor. I will not reveal a big secret, crises comes and goes, we are looking forward to a positive and bright future", - t*he head of the Tyrolean Jet Services Martin Lehner*.
