THE SSJ 100 PROGRAM WAS PRESENTED AT THE FIDAE-2018 AIR SHOW

News / Events / Festivals, Manufacturer

SCAC took part in international aviation show FIDAE-2018 in Santiago, Chile, and presented Superjet 100 project there.

The IATA Wings of Changes conference became one of the most important platforms for SSJ100 promotion. It gathered the airline representatives and aircraft manufacturers participating in FIDAE-2018 together.

A number of air carriers of Latin America showed interest to different SSJ100 modifications and expressed their requests for further cooperation.

Currently 117 Superjet 100 are operated by Aeroflot, Gazprom avia, Yakutia, IrAero, Yamal, Russian Ministry of Internal Affairs, EMERCOM, RusJet and Interjet (Mexico), CityJet (Ireland), Thailand Royal Air Force. More than 260 000 commercial flights lasting more than 390 000 flight hours have been performed by the moment.
