

JEPPESEN AND EMIRATES TEAM TO OPTIMIZE CREW MANAGEMENT

News / Airlines

Jeppesen, a part of Boeing Commercial Aviation Services, has teamed with **Emirates**, the Dubai-

based international airline, to optimize **crew planning operations**.

Emirates has now fully entered Jeppesen Crew Rostering services into its operations, which was introduced to improve efficiency and lower costs related to crew management functions, while respecting crew preferences. Jeppesen Crew Rostering is a component of a family of crew management solutions that optimize operations and increase efficiency for airlines.

Jeppesen Crew Rostering takes into account numerous factors to create efficient roster assignments, including crew preferences, and all relevant constraints on duty time, rest time, days off, time zones and other factors.
