LAGERFELD INVITES YOU TO TRAVEL ON "CHANEL AIRLINES"

News / Personalities

Embarking on "**Chanel Airlines**":exactly in that airport terminal decor Karl **Lagerfeld** presented on Tuesday spring-summer collection 2016 streetwear key when randomly, air transport is top turbulent social event.

Under the glass roof of the Grand Palais, a real airport terminal, everything was right there: check-in desks,luggage, ground personnel, scoreboards flights towards Shanghai, New York, Moscow ... even security checks, although real at the entrance to the parade.

After the supermarket, the brewery and the casino, Chanel star designer chose a theme that reflects the international side of fashion.

Girls are ready to go on a trip, cap backwards or boater on his head, in a suit or in jeans, with their Chanel bags.

"It is a journey in ideal conditions, upon boarding, which is not necessarily the case if you look at the news," said Karl Lagerfeld after the parade, commenting on images of Air France leaders
