CANADIAN ICE HOCKEY PLAYERS ARRIVED TO OLYMPICS WITH UNIQUE BOEING 737

News / Business aviation

„Our service has already been used by several well-known football and basketball teams. We are proud that Canadian national hockey team, which will defend the title of the champions at the Olympics, chose our company. It is a significant assessment and achievement for us. Of course, this is a great responsibility due to the working with the customers of such level. Every detail is extremely important and everything must be done perfectly," said Dovydas Jurgelevicius, CEO of KlasJet.

Canadian team is considered to be one of the strongest men‘s ice hockey teams on Earth. Canadian ice hockey players have already won nine tournaments at the Olympics in the history of the country – 1920, 1924, 1928, 1932, 1948, 1952, 2002, 2010, and 2014.

On February 8, Canadian men‘s ice hockey team arrived to the Olympics, which take place at Pyeongchang resort in South Korea. For their travel the team chose Boeing 737-500,
