AIRBALTIC PILOT ACADEMY OPENS APPLICATIONS FOR SPRING GROUP

News / Maintenance / Trainings

Latvian airline *airBaltic*today, on November 27, 2018, opened application process for the spring group of 2019 atairline's newly established *Pilot Academy*. Students will become *airBaltic*pilots upon successful completion of the full-time programme in about two years.

Martin Gauss, Chief Executive Officer of *airBaltic*: "Having seen the highly motivated students of the first two *Pilot Academy* groups, it certainly brings back old memories of my own pilot studies. It is safe to say that these students will soon become a core part of our airline."

Pauls C?l?tis, *airBaltic*SVP Flight Operations: "With state-of-the-art *Diamond Aircraft* and simulator we received this year, professional instructors and Integrated Airline Transport Pilot course certification, *airBaltic Pilot Academy*is the go-to programme for aspiring Baltic pilots. This is the only programme to offer high calibre pilot training, which will lead to employment as an *airBaltic*pilot. We are proud to offer this unique opportunity for all Estonians, Latvians and Lithuanians."
