

WESTON AVIATION FBO IS NOW OPEN FOR BUSINESS AT GLOUCESTERSHIRE AIRPORT

News / Airports / Routes, Business aviation

Weston Aviation, the UK and Ireland based FBO and Business Aviation specialist have commenced operations and launched a new Business Aviation Centre and FBO at Gloucestershire Airport (EGBJ/GLO). The new facility and service officially opened its doors on the 7th January 2019 and the FBO has already welcomed a number of visiting aircraft and crews.

Weston Aviation CEO and founder, Nick Weston said “In just the first few weeks of operation we have been delighted to welcome both new and existing customers to our FBO which is encouraging and already confirms our vision for making Gloucestershire Airport a significant business aviation airport in the region”

Mark Ryan, Managing Director of Gloucestershire Airport said, “We are delighted to welcome Nick and his team at Weston Aviation to Gloucestershire Airport, the UK’s leading General and Business Aviation airport.”

The new FBO facility, located in the main terminal building, offers crew and passenger lounge facilities with direct ramp access for passengers and vehicles.

Established in 1995, Weston Aviation is the second largest FBO network in the UK and Ireland in terms of locations with additional FBO facilities at Cornwall Airport Newquay, Humberside International Airport and Cork Airport in Ireland. Weston Aviation also provides aircraft charter services, aircraft leasing and fuel services.

Gloucestershire Airport is renowned as the busiest general and business aviation airport in the country. We have a brand-new reception area in our terminal building and a number of exciting initiatives coming up too, including significant investment in infrastructure on the aerodrome, such as modern aircraft hangars and business units.
