

FIVE MORE AIRCRAFT JOINED METROJET MANAGED FLEET

News / Business aviation

Metrojet Limited has welcomed five additional business jets to its managed fleet in 2019, increasing its fleet of Gulfstream jets to 16. Mr. Scott Neal, Senior Vice President, Worldwide Sales, Gulfstream Aerospace commented “Gulfstream is delighted to see this latest addition to Metrojet’s managed fleet, which reflects the continued growth and popularity of Gulfstream aircraft in the region. Metrojet has been a valuable partner as we work together to develop Hong Kong’s business aviation industry.”

“Given the recessionary environment, Metrojet is pleased with the steady growth and takes pride in our team of attentive professionals, who continue to provide clients with a safe, cost effective and efficient service,” said Mr. Denzil White, Managing Director, Aircraft Management and Charter of Metrojet Limited.

Mr. Gary Dolski, CEO of Metrojet commented “We have been in a long-standing partnership with Gulfstream since our first GIV acquisition in 2001. As one of the most popular business jet OEMs in the region, we anticipate to see more Gulfstream aircraft entering into our managed fleet next year. We are also pleased to provide seamless maintenance support to the full family of aircraft through our Approved Warranty Facility in Hong Kong and our soon to be completed in Q2 2020 new hangar and parking facility in Clark, the Philippines. Metrojet will continue to invest in the future G500/600 product line, including Pratt & Whitney PW800 engines and the G700 with Rolls Royce Pearl 700 engines.”

Established in 1995, Metrojet pioneered business aviation services in Hong Kong and remains one of the most renowned safety and customer-focussed business jet operators and maintenance providers in Asia Pacific. The company provides all-inclusive aircraft management, maintenance and aviation consultancy services. *“Evolving with you in mind”* is Metrojet’s company service tagline.
