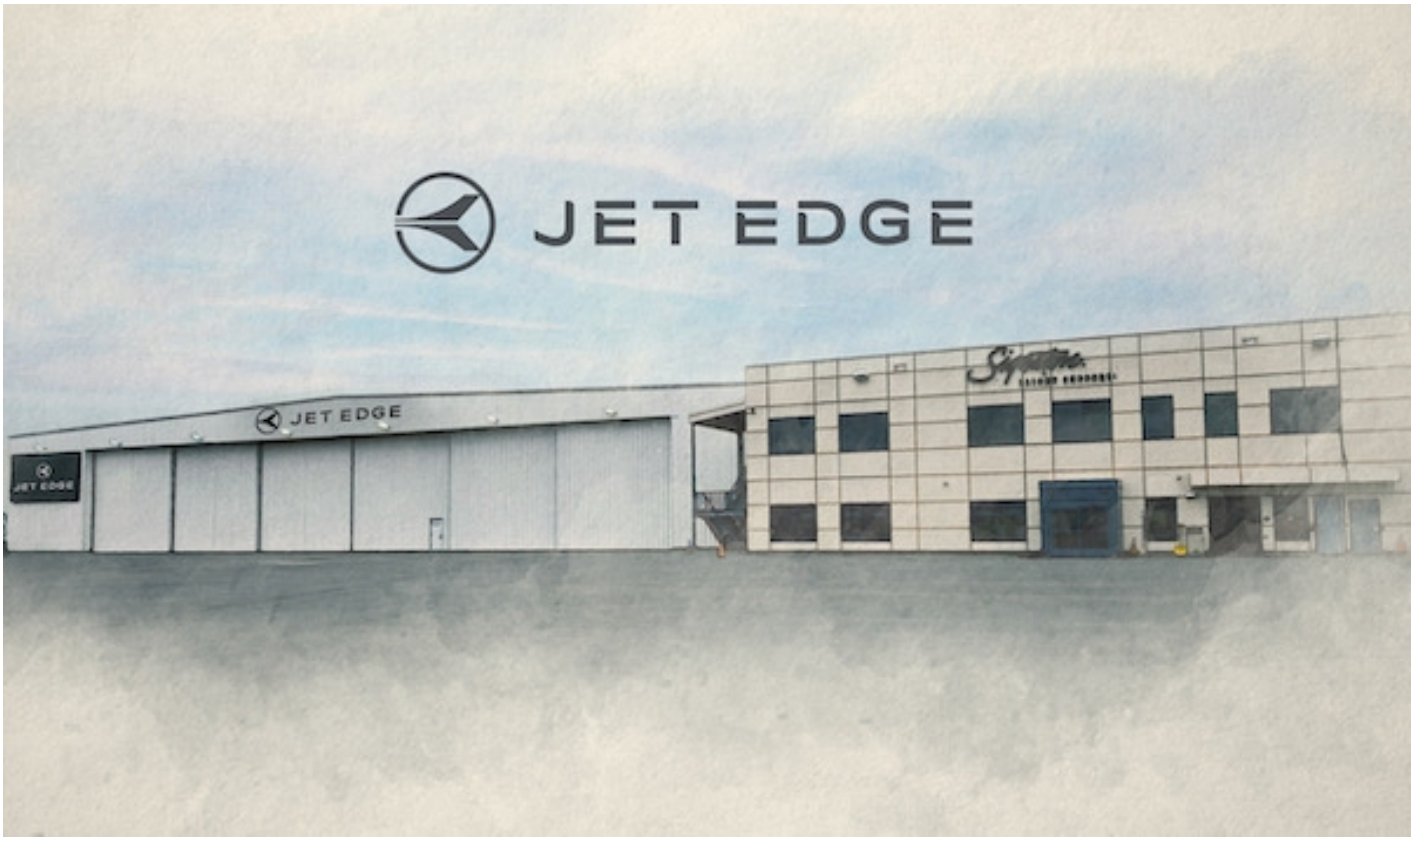
JET EDGE INTERNATIONAL TO ESTABLISH TETERBORO AIRPORT BASE WITH SIGNATURE AVIATION

News / Business aviation



Signature Aviation and Jet Edge International have signed an agreement to occupy Signature's East facility at Teterboro Airport (TEB) in New Jersey. The New York City area base will grant Jet Edge charter program members, aircraft owners, and its fleet access to dedicated hangar and maintenance space at one of the world's busiest private aviation airports.

A re-envisioned FBO interior is part of a long-term agreement for a 44,000 sq. ft. portion of Signature Teterboro East's Hangar 202, as well as associated office and workshop space. The introduction of the New York area base will enhance Jet Edge's offerings in one of the most significant business aviation markets worldwide, guaranteeing consistency and privacy for passengers embarking via one of its private aircraft, in addition to providing benefits for Jet Edge AdvantEdge plane owners.

"We are delighted to welcome Jet Edge to its new home at Signature Teterboro East," expressed Virasb Vahidi, Chief Revenue Officer of Signature Aviation. "Signature is focused on offering exceptional experiences and essential support services to business and private aviation customers. Our large-scale infrastructure footprint is a key enabler of travel and our expertise in private aviation handling and real estate is a catalyst for driving mutual value with our partners. We look forward to working with Jet Edge in one of our key

geographic markets.”

Bill Papariella, CEO of Jet Edge, adds “The New York metropolitan area has been the largest market trailing 3 years for Jet Edge and compliments our already established Signature facility in Los Angeles. New York will be a strategic focus for Jet Edge in 2022 and beyond. We couldn’t be more excited to partner with Signature to provide our clients coast to coast access to a dedicated facilities at Teterboro and Van Nuys.”
