

ONE AVIATION AND SCHEME DESIGNERS SIGNS CONSULTATION AGREEMENT

News / Business aviation

Scheme Designers and ONE Aviation have entered into an agreement to provide concierge-level design consultation for each customer buying a new Eclipse 550 aircraft.

Alan Klapmeier, chief executive of ONE Aviation, said: "Scheme Designers has earned a reputation for being able to bring a customer's vision and personality to life in their aircraft livery, making them an excellent partner for ONE Aviation and Eclipse family of owners and operators."

Craig Barnett, president of Scheme Designers, added: "We have enjoyed a creative and forward-looking relationship with the ONE Aviation team and we are excited and energised about our expanded offering to provide Eclipse 550 customers with an unexpected service for their distinctive aircraft."

Scheme Designers will also be available to provide concierge design services for any customer of a factory new Eclipse 550 aircraft.
