DOWNLOAD THE EBACE2017 MOBILE APP BEFORE HEADING TO GENEVA

News / Business aviation, Events / Festivals

The official EBACE mobile app allows attendees to prepare for the show, enhances their event experience in Geneva and serves as a useful reference all year long.

Image result for EBACE 2017 App

The free mobile app – available for the iPad, iPhone and Android smartphones – includes the following:

- **Full conference agenda with locations and descriptions of education sessions and key events**
- **An exhibitor directory with stand locations, company descriptions and product and service categories**
- **An interactive exhibit floor plan of the Palexpo**
- **Ability to create a personal profile visible to other app users so you can network with fellow attendees before, during and after the event**
- **A timeline displaying the latest posts and photos from fellow attendees in real time and the ability to upload your own status updates and photos**

Download the Official EBACE2017 App Now

Exhibitor Opportunities in the Official EBACE2017 App

All EBACE2017 exhibitors may enhance their company profiles in the EBACE2017 app for free by uploading a company logo, as well as brochures and marketing materials, which will be viewed by app users before, during and after the conference. Login to the EBACE2017 Exhibitor Service Center.

Exhibitors also qualify for exclusive advertising opportunities in the EBACE2017 app through display ads, which bring high brand visibility to all app users. Learn more by contacting advertising@nbaa.org.
