J&C AERO TO OFFER SUPPLEMENTAL CABIN KITS: FROM CABIN CREW BAGS TO AVIATION DEFIBRILLATORS

News / Maintenance / Trainings

J&C Aero, an international aviation design and production company, and ZOLL Medical, a global leader in acute critical care and related software and diagnostic tools, have signed a cooperation agreement under which J&C Aero becomes an authorized distributor of ZOLL’s aviation defibrillators (AED). The AEDs will become an integral part of J&C Aero's latest product – Supplemental Cabin Kits.

The signed international distribution agreement enables J&C Aero to promote and sell ZOLL Medical’s aviation defibrillators AED 3 Aviation worldwide. In addition, J&C Aero will also distribute the manufacturer’s TSO C142-b battery packs that meet EASA’s and FAA's latest requirements for in-cabin lithium battery-powered equipment.

Following the start of the new cooperation, J&C Aero has also presented a new solution for low-cost and legacy aircraft operators – Supplemental Cabin Kits. The kits include a set of secondary products that many airlines acquire during aircraft cabin refurbishment: cabin crew bags for demonstration kits, infant life vests and seat belts, portable defibrillators, as well as emergency
