

News / Business aviation, Manufacturer

Although the tour has already started, there are still five weeks to go and five weeks of opportunity to catch up with Andy Chan from Right Rudder Aviation, our official Pipistrel partner in the USA.

They are documenting their adventures on their [Facebook page](#) and it is really interesting to see comments from those who have experienced flying in the Pipistrel Panthera.

Panthera tour map

Locations where you can meet the Panthera:

Depart KINF- 10/3
KPDK- 10/3 -10/6
